W.P(C).No.6344 OF 2007

Dated this the 26th day of February, 2007

JUDGMENT

According to the petitioner, an item of property belonging to her is let without its boundary being identified and her residential building is being scouted by anti-social elements. If the petitioner has moved appropriate application before the competent among the respondents for identifying the boundary, that could be done in terms of the Survey and Boundaries Act and Rules. Let that be done within a period of two months from the date of receipt of a copy of this judgment. However, the authorities will ensure that if there is any dispute between neighbours, that is a matter to be left to adjudicate by the civil court.

The writ petition is disposed of as above.
